Dear Members,

On behalf of everyone at the Anioma Association of Washington, I would like to extend our deepest gratitude for the generous donations received throughout the year.

Your financial support, along with the volunteer hours many of you contribute, is truly invaluable and makes a meaningful difference in our collective efforts.

Because of your generosity in 2025, we were able to implement impactful cultural programs both here in the United States and abroad.

Your contributions bring us closer to achieving our mission of strengthening individuals and communities through programs that promote and preserve cultural values, celebrate diversity, build resilience, reduce poverty, and advance the development of our people.

Please note that all donations are tax-deductible to the extent allowed by law. Anioma Association USA Inc., Washington DC Metro Area, is a registered 501(c)(3) nonprofit organization (EIN: 52-181986). Your support is a powerful investment in our community, and we are sincerely grateful for your dedication and commitment.

Thank you once again for your continued generosity and for being an essential part of our mission.
